

SNI03C

FYRA conventional combined smoke and heat detector

CPR certified

LPCB certified

MED certified

UAE CoC certified

SNI03C (SCRFY0300100)

Alarm threshold	smoke: 0.08-0.13 dB/m; heat: A2
Operating voltage	power supply: 24 V; maximum: 33.0 V; minimum: 9.0 V
Consumption at power voltage	idle mode: 50 µA; alarm mode: 64.0 mA
Voltage at remote LED terminals	24.0 V
Max consumption of remote LED	3.5 mA
Inhibition time at power on	8 s
Alarm indicator	2 red LEDs, fixed light
Protection class	IP43
Dimensions	H 48 × Ø 100 mm
Weight	150 g
Working temperature	-10 - 50 °C
Relative humidity	95%
Certifications	CPR 305/2011 EN54-5, EN54-7, EN54-13; 2014/90/EU (MED); LPCB; UAE CoC
