

PAR

Indoor analogue-addressable call point for FYRA loop

Data sheet

Model	PAR
Product code	PAIE00100400
Type	Manual indoor analogue-addressable call point for FYRA loop
Integrated Isolator	Yes
Alarm	Manual alarm generated by pressing the center of the front glass recoverable
Addressing	Via rotary switch
Signallings	2 yellow LEDs of isolating circuit, 1 polling green LED, 1 advertising colored bar and 1 alarm red LED
Installation	Indoor
IP class	IP2XD
Operative conditions	from -10°C to +50°C, -93%U.R.
Dimensions	W 90 x H 90 x D 60 mm
Reset device	Provided
Power consumption	500µA idle status 4,7mA when short circuit 1,8 mA alarm status
Power supply	DC24V (from 20,5 to 27,5 V)
Certification	Certified CPR 305/2011 EN54-11 and EN54-17

Main features

- Indoor analogue-addressable call point for FYRA loop
- On board line isolator
- Certified CPR 305/2011 EN54-11 and EN54-17
